Dear Sir:

In re Carl Hammerberg, #5148

Answering your inquiry with regards to Carl Hammerberg, beg to advise that we find Hammerberg was in our employ in capacity as ripper and cutoff man and upon taking the matter up with our foreman, Mr. Baker, find that Hammerberg was a good worker, punctual and goodnatured and in other words a firstclass employee. Mr. Baker also stated that he would not hesitate in hiring Hammerberg at any time that he was free to accept a position.

The writer was personally acquainted with Hammerberg and as far as he remembers, don't think that Hammerberg had any bad habits, or was inclined to be rowdy, but that he was easily led, or in other words, he was inclined to follow along with the crowd.

Yours very truly,

ZENITH BOX & LUMBER COMPANY,
