Dear Madam: In re: Pardon File 6205

Referring to the above matter,
the application for pardon of Max Mason,
I beg to say that I do not know of any-
thing that I can add to what I have
already said in regard to this defendant,
except to repeat what I stated in my
letter of January 2, 1923, that I never
felt that the evidence in the case was
any too strong, and I am of the opinion
that if the defendant had been a white
man he would not have been convicted.

I think the Pardon Board
ought to take this into consideration in
considering his application for clemency.

Yours very truly,

MASON M. FORBES
County Attorney
